ARTIST STATEMENT

Eva is a self taught Latvian/Norwegian painter. With a passion for structured details, colors and human body. Through her art, she explores themes of identity, longing and the search for connection. Each brushstroke carries a piece of her story, reflecting her journey of self-discovery and acceptance.

Being a creative soul since her childhood combined with feelings of not belonging she creates art that explores her inner world. It serves as a reminder that despite the feelings of not belonging, there is a shared thread that binds us all together.
